HAND- MADE AREA

June 24–27, 2026
Messe Frankfurt

EUROBIKE – The Global Platform

The fourth edition in Frankfurt has been an impressive proof: EUROBIKE, the world's leading trade fair for the bike and future mobility industry has arrived in the Main metropolis!

31,270 trade visitors from 97 nations have followed the trade fair motto 2025: „Hello Future“. The international trade audience was part of an outstanding atmosphere during the BUSINESS DAYS, at the stands of roughly 1,900 exhibitors, in the meeting spots, lounges and in front of numerous conferences and show stages.

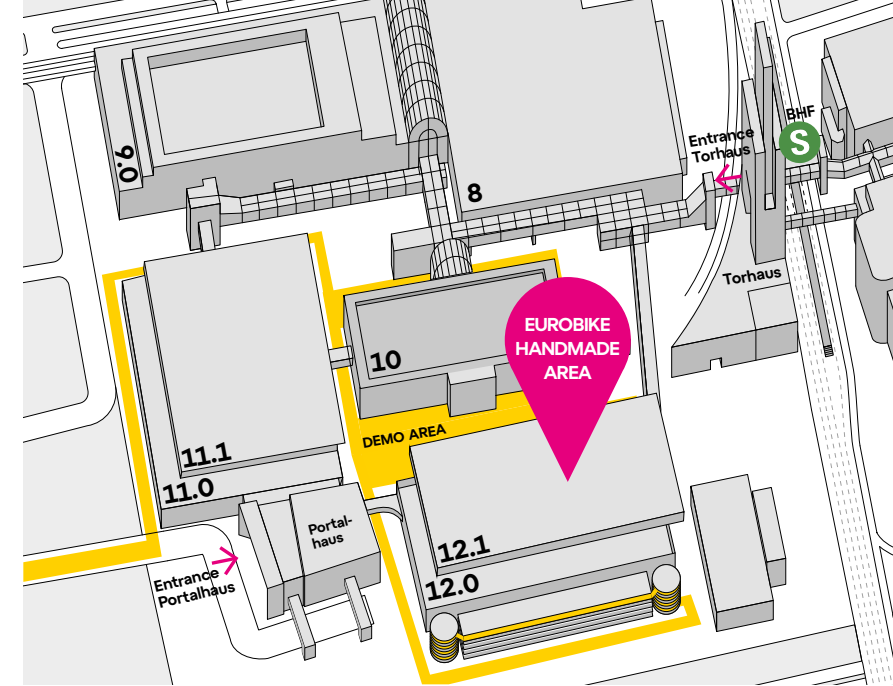

In the heart of Europe, close to the large Rhine-Main public and at the same time being at the center of the bike universe, offers the participants unique opportunities and potential.

EUROBIKE HANDMADE AREA – all tailored and custom

Prominently located in the center of Hall 12.1, the special exhibition area exceeding 500m² offers plenty of space for passionate cycling dreams, lots of elegance and avant-garde on two wheels; opportunities for networking and to linger around. With around 40 exhibitors from frame construction and individual bike manufacturing, this is where the grand cru of craftsmanship will open its showcase during the EUROBIKE FESTIVAL, as well as to a large parts of the BUSINESS DAYS.

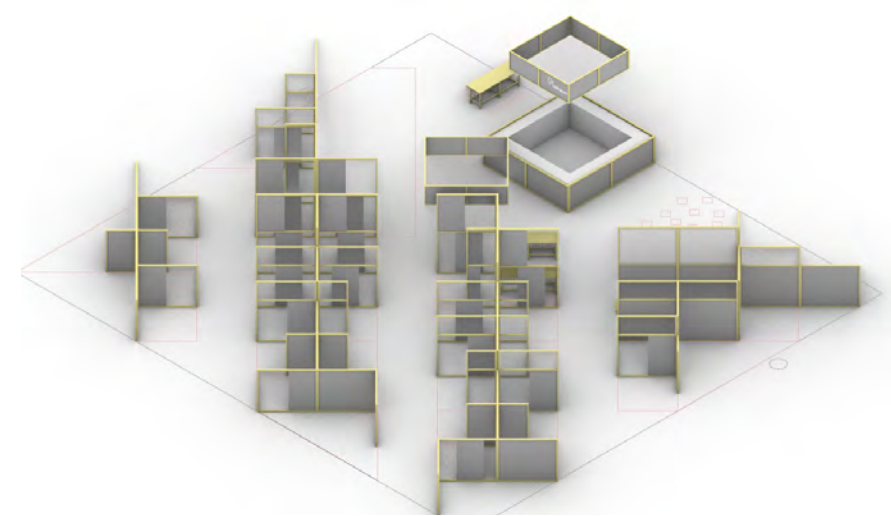

The HandmadeBar offers refreshments for exhibitors and visitors alike, and invites you to have a chat at the bar or linger in the lounge area.

EUROBIKE HANDMADE AREA – added value

The EUROBIKE HANDMADE AREA not only offers a special group of exhibitors an incomparable opportunity for external presentation during the trade fair, but also embeds its contents in a sustainable and publicity-effective way. In addition, it offers points of contact to important, future-oriented topics by means of spacious networking tables and a dedicated area stage.

Showcases of current 3D printing technologies by an outstanding group of suppliers, provide an insight into what is currently possible in this exciting sector, which is particularly suitable for individualized production processes.

Products and exhibitors

Away from mass production, global supply chains and the catalogs of full-range retailers, the special exhibition area appeals to brands whose core business is in the areas of frame construction, customization, small series of bikes and components, but also individual fashion fashion and bicycle accessories.

Therefore, only applicants will be admitted to the EUROBIKE HANDMADE AREA who have specialized accordingly and through sustainable materials, local production, upcycling, or particularly artistic workmanship in their custom-made products.

Bikes

All non e-drive bikes:

MTBs, road bikes, gravel bikes, cross bikes, cargo bikes, urban bikes, fitness bikes, special bikes, rickshaws, folding bikes, single speed bikes, BMXs, dirt bikes, trekking bikes, recumbent bikes, velomobiles, tandems, trikes, kids' bikes etc.

Bike accessories

Everything that belongs to bikes:

speedometers, water bottles, bells, pumps, grips, bike packs and bags, lights, locks, mudguards, tools, tires, etc.

Bike components

Handle bars, brakes, gears, bottom brackets, electrical components, pedals, generators, wheels, spokes, forks, saddles, etc.

Apparel & accessories

Everything worn by cyclists:

shorts, leggings, jerseys, underwear, baselayers, shoes, gloves, helmets, glasses, backpacks, etc.
